Milestone: Educate and Involve the Community

Module 6

Milestone: Create an Effective Community Board

Module 7

Next Steps

Module 3 goal

Prepare the Community Board
to identify and address
outstanding readiness issues.

Objectives

1. Identify outstanding readiness issues from Phase One: Getting Started.
2. Determine key issues to address before continuing Phase Two: Organizing, Introducing, Involving.
3. Identify and complete steps to address key issues.

Milestone 1-3: Identify community readiness issues

- Agreement on issues
- Common definition of “prevention”
- Support for a risk- and protection-focused approach

Milestone 1-3: Identify community readiness issues

- School district support for the *Communities That Care Youth Survey*
- Value collaboration
- Coordination among existing initiatives
- Full community representation

Community readiness for prevention

- Attitudinal readiness
- Structural/organizational readiness

Attitudinal readiness

- Awareness of the problem
- Belief that the problem is a priority

Attitudinal readiness

- Belief that the community can successfully address the problem
- Support for prevention as an appropriate approach
- Sense of ownership of the problem and solution

Attitudinal readiness issues

Structural/ organizational readiness

- Leadership
- Skills to implement effective programs

Other readiness issues:

Addressing readiness issues

- Which issues, if any, are “show-stoppers”?
- How should “show-stoppers” be addressed?
- Who will be involved? When?

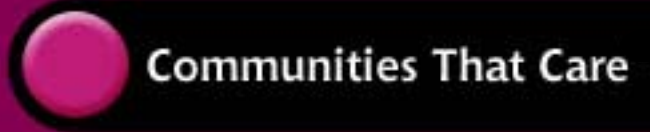

Readiness issues planning

| <u>Issue</u> | <u>Action</u> | <u>Who will complete?</u> | <u>By when?</u> |
|--------------|---------------|---------------------------|-----------------|
